793 GC HS Seniors Graduating Tonight

Largest Class in History of School; 1919 Class Reunion

Commencement exercises for 793 graduating seniors, the largest class in the history of Granite City High school, will be conducted at 8 o'clock tonight in the Memorial gymnasium. The class, which also includes students earning diplomas in January, represents an increase of 99 students over last year's graduating class.

The program will again be shown on closed circuit television in the school auditorium for spectators, who also include tickets, on a first come first served basis. Each student received three tickets for their parents and families for the gym.

Speakers will include Thomas Schwager, valedictorian; Barbara Bartels and Elaine Menko, co-salutatorians and the class president, Roger Belshe.

The program will open with the processional and close with the recessional played by the high school band under the direction of Louis Meek. Rev.

Boy Electrocuted By Extension Cord Strung to Camper

George Bernard Lee, 11-year-old son of Mr. and Mrs. George B. Lee sr., 2536 Iowa street, was electrocuted about 7:30 a.m. Tuesday when he stepped barefooted from a camper trailer and became entangled in a dog's chain leash and an electric extension cord.

Edward Werner, deputy coroner, said the boy and his 16-year-old brother, Michael, were sleeping in the family trailer parked in the back yard. Michael was leaving at 6:15 to go to work at the commissary at the Granite City Army Depot, where his father also is employed, recalled he felt a "tingling sensation" when he stepped from the trailer.

An hour later, the young boy stepped from the trailer receiving the shock which caused him to call for his mother. As she grabbed the boy, she was knocked to the ground, injuring her back. Mrs. Lee is now in Scott Air Force Base Hospital being treated for a back injury and is to be released Saturday.

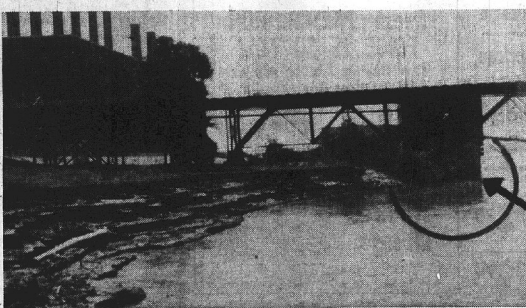

The dog chain apparently caused a short circuit in the cord, authorities believe. The

budget proposal includes \$52,000 for employee wage increases and provisions for employment of three additional firemen and three policemen.

A major increase in the new budget proposal is for maintenance of sewers. The proposed

total is \$318,778, compared to \$250,000 budgeted last year. Actual expenditures in 1968-69 were \$109,417, and the figure climbed to \$164,000 this month because of nine sewer breaks.

Army Sgt. Charles Gibbs Awarded 2nd Silver Star

An heroic act by a wounded, combat infantryman has earned a second Silver Star for the Granite City sergeant who also holds two Purple Heart Medals and the Bronze Star Medal.

The medalist is Army Sgt. Charles L. Gibbs, 22, son of Mr. and Mrs. Charles J. Gibbs, 2432 Terminal avenue, whose award of the Silver Star with Oak Leaf Cluster for gallantry in action was announced this week by Sgt. Morris L. Cook, local Army recruiter.

Sgt. Gibbs returned from combat duty with the 12th Cavalry Division in Vietnam three months ago and currently is with the First Armored Division at Fort Hood, Tex. He was recently joined there by his

have been made for further meetings, and that union representatives told school district negotiators they do not intend to negotiate during the summer months.

An end to negotiations, which began late in January, came in a meeting Monday night in which both sides submitted "final offers," neither of which was acceptable to opposing negotiating teams. Davis told members of the board of education in a board session last night.

Authorize Mass Resignations
At the same time, union teachers, in a meeting also held last night, authorized the union's executive committee to submit mass resignations for the school district's union faculty members. The union has 535 members out of the district's 708 certificated personnel.

The school board turned down a written request by the union for a waiver of the 60-day resignation rule which requires

68 DAYS WITHOUT A QUAD-CITY TRAFFIC FATALITY

Memorial Day-May 30

* HONORING THOSE HEROIC MEN WHO DIED SO THAT AMERICA MIGHT LIVE *

Marine Robert Emery
1st Vietnam Casualty

By Valerie Evenden
Memorial Day, May 30, is the day set aside to honor American men who have given their lives for their country.

It is a patriotic day; it is a day of reverence; it has special significance again this year to the families of all Quad-City war dead, including the 25 sons, husbands, fathers and brothers killed in action in Vietnam since December 1965.

Two other local servicemen died in helicopter crashes when training for overseas duty; a Granite City Navy airman was presumably lost at sea from an aircraft carrier deployed in the Mediterranean; and the husband of a local resident, a Navy

flier, still is listed as missing in action in Vietnam.

U. S. battlefield deaths in Vietnam reported since Jan. 1, 1961, now total more than 35,300, including 12,364 killed since preliminary peace talks opened in Paris on May 13, 1968.

Since Dec. 7, when the talks were expanded to include the Viet Cong and the Saigon government, an estimated 528 Americans have been killed in action. Reports indicate about 50 U. S. soldiers lost their lives last week taking Hamburger Hill.

Nearly 226,000 U. S. troops have been reported wounded in action since Jan. 1, 1961.

MORE ABOUT

793 Seniors

Harold Maynard of Calvary Penitential Assembly will give the invocation and benediction.

Members of the classes of January and June 1919, who are holding a reunion will receive special recognition, with Lawrence McCauley, principal, giving the class resume.

Dr. E. W. Wynn, president board of education, will award the diplomas to the new graduates.

Fisherman's Guide to State Fish Available

A "Fisherman's Guide to Illinois Fishes" is available at area bookstores, newsdealers and paperback dealers giving descriptions of 201 species of fish, practically every species known to occur in the state and in surrounding areas.

The species are arranged as game, pan and food, commercial, trash and bait. The 100-page book contains common and Latin names, synonyms, adult size, geographic range, habits, habitat, distinctive characteristics, fishing tackle used to catch, best time for fishing, whether edible and how best prepared.

Photographs and black and white drawings illustrate 145 species. All distinctive characteristics are marked to aid in rapid identification. The author is R. W. Cunley, Ph.D., a biologist and university professor, author of more than 300 articles and books on biology.

ONE MAN TEAM is eight-year-old Danny Manning, 137 Big Four Place, who pitched 20 strikeouts and personally threw out the only opponent who was able to connect during a Mitchell K Hour League game. He whacked a home-run. The final score was Mets 5, Cardinals 0.

Schalkham Chosen Top Cross Country Runner

Gus Schalkham of Granite City was chosen as the most valuable member of the cross country team and Len Scheibel of Edwardsville was named most valuable athlete of the 1968-69 year at Southern Illinois University-Southwestern's first intercollegiate athletic awards banquet Monday night.

A golfer, Scheibel was one of 87 SIU-SW athletes who won letters at the dinner. He is a senior.

Three soccer players were chosen most valuable by their teammates: Jack Blake, John Caranza and Jim Stranz. All are from St. Louis. The Cougars' soccer team posted SIU-SW's only perfect (10-0) record during the year.

Gary Collins of East Alton took the honor for his play on the baseball team and Bernie Pitts of Alton was chosen for his play in basketball.

Named scholar-athlete of the year was Tom Dahncke, senior and captain of the basketball team. He posted a 3.9 scholastic record out of a possible 5.

BEST CROSS COUNTRY RUNNER at Southern Illinois University-Southwestern during the year was Gus Schalkham of Granite City, left, who accepts congratulations from his coach, John Flamer, at the athletic awards banquet. Schalkham holds every school record in cross country.

Keith's Lounge, R-C's Diamond Plating Win In Eastern Division
All of the home teams were soundly beaten in Eastern division games. Monday night at Worthen Park Diamond Plating clobbered the Raiders A. A. 12-5. Ralph & Charlie's clobbered the Has Beens 11-5 and Keith's Lounge Rebels crippled Jim Green Construction 10-3.

Diamond Plating's scoring was highlighted by Dave Wilson 3-4, homerun; R. W. Wallace 3-4, triple; Bill Pruett 3-4; and Charlie Dohm's homer. Ralph & Charlie's victory resulted from the keen hitting of John Chomko 4-4; George Greg 3-4, homerun; and Dave Wadlow 2-3. Has Beens swing with the most success were Larry Melton 2-4, with a home run, and Sam Akeman 2-3.

Keith's Lounge Rebel's depth in the hitter department was the winning factor. For the Rebels' Tai Plak 2-3, double; Whitey Adams 3-4; John Robertson 2-2; Bill Birtley 2-4; and Roy Kobena 2-4. For Green Construction the stoutest hitters were Lyn Carden 3-4 and Bob Harris 2-3 with a triple.

Roxana Tops Grigsby, Gains Title Tie with Coolidge's Braves

Grigsby's junior high school baseball Gators lost twice to Roxana Monday on the Coolidge diamond, allowing Roxana to finish the season in a first place conference tie with Coolidge.

The Gators dropped the first tilt 6-3 and then lost the sudden-death competition to decide the winner of a previous game which had ended in a tie due to darkness.

In the first decision, Gator pitchers John Lengyel, Vernon Lux and Randy Sturdevant held the champion Roxana squad to only three hits, but fielding errors gave the game away. Chuck Logas tripled for Grigsby. Teammates Stan Hale, Tim Spiker, Gary Lively and Lux singled.

During the second inning of sudden death, Roxana singled, sacrificed, received an intentional walk and then singled to drive in the title-clinching run. Ending the season, the action gave Grigsby a five-and-seven record.

21 Adults Assisting Mitchell Khoury Loop

Annexation being Planned For Area with 25 Homes

Annexation of an area with about 25 homes in the areas of Emert, Zippold and Kilmer avenues was proposed during Monday night's Granite City council session by Sixth Ward Alderman Parmley, who said most of the residents want to be in the city.

At Parmley's request, the council authorized City Atty. Scroggins to prepare the necessary property descriptions and

City Engineer Kenneth Kleber to prepare maps for the prospective petitioners.

Parmley said he and Alderman Paul Schuler have been conducting a poll in the area and find the residents favor annexation. "This would be a good-sized area to add to the city," Parmley commented.

Action on the recommendation of the City Plan Commis-

sion to grant the permit to Steven Powers was deferred last week, and Seventh Ward Alderman Thomas Baker again expressed his objection, predicting a monumental traffic jam on Pontoon road where driveways are to be located rather than on Nameoki road. He also questioned unanimous approval action by the plan commission, saying he understood it had been a split vote of the commissioners.

Baker and Jarrett voted against issuance of the permit,

assigned in Vietnam Army Sgt. Harry A. Wyman, 25, whose father, Harry Wyman, lives at 203 Russell street, has been assigned to the 100th Transportation Company in Vietnam. His mother is deceased.

House Window Removed Rollin Rickell, 3829 Forest avenue, reported at 8:55 p.m. Monday that someone has been removing a window from his home while the family is away, mostly on Mondays. There has been no entry and nothing is missing so far, he said.

POLISH EAGLES DANCE GROUP which will perform at 2 p.m. Friday and Saturday at the International Folklore Festival in St. Louis. The dancers are, left to right—Walter Rajewski, Mark Krinski, Larry Wyatt, Carl Rajewski, Edwin Brzezinski, David Macios, Linda Macios, Pamela Macios, Cynthia Coghlan, Donna Macios, Tina Wyatt and Karen Macios.

Madison Church To Take Part In Folklore Event

The third annual international festival of the Folklore Federation of the metropolitan area will be held Friday, Saturday and Sunday in Forest Park, St. Louis.

More than 300 colorfully costumed dancers, singers and musicians from more than 20 ethnic groups will entertain.

The international bazaar, featuring native foods and delicacies, recipe books and handicrafts will be available for the gourmet and connoisseur.

The Sacred Heart Polish National Catholic Church, Madison, will represent the Polish ethnic group. Its "Polish Eagle Dance Group" will perform at noon to 10 p.m., and the location is across from the main entrance to the zoo. There is no admission and the public is invited. Last year more than 20,000 persons attended.

Retailers to Advance Image of Quad-City

The Tri-City Area Promotion Committee of the Associated Retailers & Civic Association is planning a \$6000 campaign to improve the image of the area, according to Herbert Schermer, committee chairman.

The retailers group, which has provided three college scholarships for area high school graduates, is planning to

handicraft of the local arts and crafts group, plus imports from Poland.

Featured will be dancing to live music. The festival hours at noon to 10 p.m., and the location is across from the main entrance to the zoo. There is no admission and the public is invited. Last year more than 20,000 persons attended.

Unauthorized Driver

Brenda F. Nichols, 2632 Cayuga street, was ticketed at 11 p.m. Monday at 19th street and Edison avenue on a charge of permitting an unauthorized person to drive.

The advantages of living here, Schermer stressed, include food schools and parks and the accessibility of the points of interest in the metropolitan area.

Signs are to be erected at major intersections and highways leading to the Quad-Cities indicating the access to these attractions.

Use of the unit for the public is scheduled from 10 a.m. until 12:30 p.m. Monday at the Ven-

ice police station. On Saturday, June 7, the unit will be stationed at the city hall in Granite City from 9 a.m. until noon and from 1 to 5 p.m.

Other public operations of the unit also are scheduled on Wednesday, June 11, at St. Elizabeth Hospital from 7 to 11 a.m. and noon until 4 p.m., and on Thursday, June 12, at the Dairymaster, 516 Madison avenue, Madison, from 10 a.m. until noon and 2 to 6 p.m.

Art Seminar to be Offered by Museum

For six weeks this summer the City Art Museum in St. Louis will again offer an introductory seminar in the history of art for outstanding area high school students.

Enrollment will be limited to about 30 public and private high school students who have completed the ninth grade. Students will be accepted on the basis of scholastic record and recommendation by counselor or teacher. Applications for admission to the seminar are available from the Museum's Department of Education, 726-2216.

The seminar will meet four days a week: Tuesday through Friday from 10 a.m. to noon from June 17 to July 26. It will be taught by members of the Department of Education and the Museum's collections.

There will be no tuition fee, but students will be expected to purchase a selected text and study materials, the total cost of which will not exceed \$10.

66 I wanted a car and foreign cars are hard to fix. So my brother said, 'Maverick handles better and feels solid and safe on the road. When I hit a bump in the other car it was like going over a mountain. Maverick really flattens them out and I'm getting 25 miles to the gallon.'

Miss Susan Sars, Bronxville, New York

66 We bought the Maverick as a second car when a tree fell on our import. Maverick handles better and feels solid and safe on the road. When I hit a bump in the other car it was like going over a mountain. Maverick really flattens them out and I'm getting 25 miles to the gallon.'

Mr. Jack Orban, Computer Specialist, White Plains, New York

66 Everybody keeps coming over to look at it. The other night three cars stopped. We thought we had company. Everyone in our neighborhood says for the price it's unbelievable. It looks like it cost much more.'

23 Area Girls Graduate At St. Teresa Academy

Twenty-three girls from the Quad-Cities area were among 157 graduates of St. Teresa Academy who took part in ceremonies Sunday night in the Assumption high school auditorium.

They received their diplomas from Most Rev. Albert R. Zuro, Bishop of Belleville. The commencement address was presented by Lt. Gov. Paul Simon.

Several local girls received special honors at their graduation. Miss Margaret Hall, daughter of Mr. and Mrs. Donald Hall, 2419 Edison avenue, has been voted a recipient of the Outstanding Teenager of America Award.

Rated in the upper 10% of her class and a member of the National Honor Society, she plans to attend Loyola University in Chicago on a state scholarship to which the university has added a scholarship for excellence.

She is one of the founding members of the academy's Human Relations Club and is an active participant in its civic ventures. She has developed special interest in social problems and the work of the inner city.

DeMolays Discuss 50th Year Convention Plans

Members of the James Stuart chapter, Order of DeMolay, are discussing plans for the 50th anniversary international conference to be held July 1-4 in Kansas City, Mo.

Plans for the event were told at a recent meeting in Collinsville by Ed Bleser, anniversary coordinator. Attending the meet were Steve Ebrocht, Chuck Hileman, Ron Jones, Mike Norton, John Tolbert and advisor Charles Meyer.

Local members also attended a public installation of officers of Collinsville's Ascalon chapter and took possession of its vesting gavel, bringing to four the number they have from other chapters.

Guests were Becky Thomas, 1989 DeMolay Sweetheart, and her two attendants, Janet Stuart and JoAnn Graklanoff, and the 1968 Sweetheart, Linda Fischer.

Members were Randy Fowler, master counselor in charge of the group, Hileman, Dwayne Prichett, Dennis Reutebuch, Steve Hileman and Bill Watson.

Larry Dowdy Aboard Attack Carrier

Airman Apprentice Larry D. Dowdy, USN, of 2808 Kirkpat. Hick Homes, is serving aboard the attack carrier USS Independence currently operating in the Caribbean.

His ship will undergo refresher training from the US Naval Fleet Training Group at Guantanamo Bay, Cuba, and weapons training on the Atlantic Fleet's Weapons Range off the southern coast of Puerto Rico after completing more than two months at the Portsmouth Naval Shipyard.

Employment Service Improved on Campus

The latest addition to the placement services office at Southern Illinois University—Southwestern campus will enable graduates to tour any college, company, or government employment agency in the country in less than one minute.

The new facility, called a Career Information Center, provides this detailed information on foot-long microfilm strips. The microfilm library and the accompanying visual screen were provided free of charge by The Graduate Co. of Glen Ellyn, Ill.

By choosing the career category and dialing the desired information, students may obtain data ranging from the size of a company to jobs available from the location of a college to admission policies.

FRIDAY, \$1.00 AT GRANTS

YMCA Trips include Ball Games, Tom Sawyer Home

YMCA Youth Director Chuck Hasse announced today that the first of a series of trips planned by the "Y" will begin on Wednesday afternoon, June 4, with attendance at a baseball game in St. Louis.

He said there are still tickets available for the St. Louis Cardinals and Atlanta Braves game set for 12:30 p.m. on June 4. All boys and girls ages 8-16, of the Quad-Cities area are invited to register for the trip.

The fee, which covers both ticket and transportation is \$1.25 for "Y" members and \$1.75 for non-members. Buses will leave the "Y" at 11 a.m.

Only 80 youngsters will make the trip.

Other summer trips planned include a visit to Tom Sawyer Village in Hannibal, Mo., for Wednesday, June 18.

The tour will include stops at a monument to Tom Sawyer and Huck Finn at the foot of Cardiff Hill, Becky Thatcher's home, Grant's historic drug store and the famous caves. Participants are to pack a lunch.

Grant's Farm, St. Louis, will be visited on Wednesday, July 2, for a ride on a miniature train and to see the animals roam the countryside.

Another baseball game is scheduled for Thursday evening.

July 17, in St. Louis to see the Cardinals play the Philadelphia Phillies.

A day on the S.S. Admiral will be planned for Wednesday, July 30. The 4½-hour boat ride will be on the Mississippi River, and those attending may pack a lunch or buy it on board, Hasse said.

The Gay 90's Melody Museum and trip to the zoo will be featured on Wednesday, Aug. 13. During the morning, a visit will be made to the museum in downtown St. Louis to hear melodies from the Gay 90's and Raining 20's played on the collections of rare Nickelodeons and band organs. From there

the group of 40 will continue to Forest Park for a luncheon and a tour of the zoo grounds.

The final summer trip will be a baseball game to see the St. Louis Cardinals play the Cincinnati Redlegs on Wednesday, Aug. 20.

All trips leave from the YMCA, and another notice prior to each trip with the time of departure and cost per person will be announced. Registration may be made for one or all trips now at the YMCA Youth Department.

Any adult making any of the above-mentioned trips will be required to pay the non-member fee.

700 Pupils Hear Talk by Vietnam Exchange Student

A totally different glimpse of war-torn Vietnam, seldom noted in the midst of current military and political events in that country, was furnished kindergarten through sixth grade pupils at Maryville school this week by a Vietnamese exchange student studying at Blackburn College, Carlinville.

Tran Thanh Dang, 19, of Saigon, a political science and economics major at Blackburn, visited the elementary school Monday and addressed the 700 pupils in the gymnasium.

Jack Mulach, principal, said the interest displayed by the children was "extremely high" and many questions were asked. "Even the kindergarten pupils sat quietly," he noted.

Speaking in excellent English, the Vietnamese honor student narrated a series of slides, showing the country's pictorial landscape, historic shrines, recreational facilities and new apartment complexes.

He described his life in his native land, avoiding aspects created by the current conflict, although mentioning that when his education is completed he expects to join the Army.

Tran Thanh Dang, a Buddhist, is studying at Blackburn for one year under the U.S. Student Exchange program. He is the house guest this week of Bob Hays, a freshman at the same college and son of Mr. and Mrs. George (Helen) Hays, 2503 State street.

Mrs. Hays, a teacher at Maryville school, arranged the visit and program.

Others nominated and elected without opposition were Rex Manning, first vice commander; Albert Darnal, second vice commander; Charles Wilkins Jr., third vice commander; Ben Sanders, finance officer; and Adam Petras, provost marshal.

The new commander will appoint five additional officers to the post's executive board prior to the installation.

In other business, Clements and Earl Smith presented reports on Sunday's Division Five meeting in Mt. Vernon, and the veteran's group authorized a \$50 donation to support the Amvets Bowling League.

Major items on the bill list were \$16,180 to Milam Corp. East for refuse removal during May, and \$4028 to Research Planning & Design Associates for engineering on sewer breaks.

John Jones, 4145 Highway 111, was ticked on a charge of making excessive noise (squealing tires) Monday at Johnson and Nameoki roads.

Baseball Season Opens

Fehling Rd. Parking Problem To be Studied by Police

A study is to be made for possible parking restrictions along Fehling road by the Wilson Park baseball diamonds.

Alderman Robertson called for the study, explaining residents along the thoroughfare were having difficulty getting in or out of their driveways during the hours the boys' baseball leagues are in operation.

The matter is being turned over to the traffic division of the police department, and several aldermen recommended stronger enforcement of the existing laws which designate several no-parking zones and restrict parking within several feet of a private driveway.

Other suggestions made by aldermen were to permit parking on the Wilson side of the roadway and ban parking in front of the homes.

Utilization of the parking lot at the rink-pavilion was stressed, as several aldermen pointed out the danger for the youthful ballplayers to cross the busy street from between parked cars.

In addition to calling upon police for full enforcement of existing parking restrictions along Fehling road, the aldermen called for closer watch on traffic in the vicinity of the Army Depot, especially at start-

ing and quitting hours.

Police Chief Vetter said he has assigned officers to that area in recent weeks, and Alderman Basarch asked if there had been any arrests for speeding in alleys. The chief replied there had not, and Basarch said he had received complaints that traffic from the depot was going through alleys to avoid congested streets.

His boys' baseball league opening asked that police patrols include the alleys.

A request was made by Alderman Norton for stop signs to be placed on Lee avenue at 22nd street for the protection of youngsters. "We want a four-way stop there," he advised the Ordinance committee.

In conducting miscellaneous business, the council gave permission to Second Baptist Church, 2100 Illinois avenue, to conduct a parade starting at the church at noon Saturday to advertise a vacation Bible school.

Overtime pay for four police officers who handled traffic for last Saturday's park district was approved.

Accepted was the lowest of three bids for raising two structures at West 23rd street and Bryan avenue, with the city attorney to prepare a contract.

The low bidder was Paul Sebold with a \$610 figure. Other bids were \$787 and \$1250.

Library, Bookmobile Hours Set for Summer

The Granite City public library will begin its summer schedule effective Tuesday, according to Mrs. Mary G. Knufinke, librarian.

Summer hours for the air-conditioned bookmobile will begin on June 16. The library will be open from 8:45 a.m. to 5:15 p.m. daily except Wednesdays when the hours will be 8:45 a.m. to 3:30 p.m.

The bookmobile will be at schools in the area from 9 a.m. to 1 p.m., following the same schedule as last year. It will be at the same school every third week.

It also will stop at the Belleme Village and Nameoki Village shopping centers on alternate Fridays. Further information may be obtained by phoning the library.

MORE ABOUT

Army Sgt.

wife, Mary, a former resident of Ocala, Fla.

According to the Granite City Army Recruiter, Sgt. Gibbs distinguished himself by exceptionally valorous action on Dec. 9, 1968, while serving as a squad leader with Company A, 1st Battalion (Armored), 13 Cavalry, during an enemy attack near Song Be, Republic of Vietnam.

Medal Citation

The citation accompanying the Silver Star reads in part: "When his unit's perimeter was assaulted by a large enemy force, Sgt. Gibbs immediately organized his men and directed their base of fire on the advancing enemy. With complete disregard for his own safety, he placed accurate fire on the enemy positions with his rifle and hand grenades.

"When a Chi-Com grenade landed near his position, Sgt. Gibbs quickly threw it back at the enemy, thereby preventing injuries to his comrades. Although wounded, Sgt. Gibbs continued to expose himself to the hostile fire as he directed his unit's counterattack and successfully repelled the enemy's attack.

"His gallant action is in keeping with the highest traditions of the military service and reflects great credit upon himself, his unit, his country and the U. S. Army."

Suffers Wounds

In the encounter, the local serviceman received fragmentation wounds to the left side of the body, left arm and thigh but returned to active duty status with his unit for a further 2½-month period before leaving Vietnam.

Sgt. Gibbs was cited for "exceptional gallantry in action" and awarded the first Silver Star on Aug. 13, 1968. At that time, he assaulted and destroyed an enemy bunker, then entered the emplacement and captured a weapon, while his outfit was engaging a heavy enemy force in Nam Hoa Province.

In the August operation, the sergeant suffered shrapnel wounds to both legs and thigh and was evacuated to a military hospital on Okinawa for treatment and convalescence.

Sgt. Gibbs, who attended school in Poplar Bluff, Mo., has resided in the local community about five years. He enlisted in the Army in Granite City two years ago.

The serviceman's father is appliance department manager at the W. T. Grant store in Nameoki Village shopping center.

Nameoki to Return Spray Chemicals as Too Costly

The Nameoki town board agreed Monday night to return about \$2000 worth of mosquito spray chemical to the Bonnie Chem Spec Co. as being "excessive in cost" and said the bill for the amount of returned chemicals will not be paid.

In approving a motion by Town Auditor Robert Beedle to return the chlordane solution purchased by the previous town board at \$10.20 per gallon, the board also voted to call bids on all future supplies for the township's mosquito abatement program. Town Clerk Louis E. Whitsell said the unpaid bill for the spray chemicals amounts to \$224, but that a small amount of the chemical under this purchase order had been used and that the township will pay for the amount used, leaving about \$2000 which the township will not pay.

The board's action grew out of study into the cost of the spray material furnished by Bonnie Chem Spec Co. after board members had learned that mosquito spray chemicals are available at prices ranging from \$3.83 to \$4.95 per gallon. Several board members also challenged the quality of the chemical for mosquito abatement.

Met With Official
Board members met recently in an unofficial session with Charles Dickens, vice-president of the company, to discuss the spray formula and the price. At that time Beedle reported that the Public Health Department does not recommend chlordane as a mosquito spray, and Beedle, Whitsell and Auditor Douglas Tector each presented offers from other companies to furnish spray material at prices under \$5 per gallon.

Board officials pointed out that Nameoki township has spent more than \$9000 with the Bonnie Chem Spec Co. since 1956, including the cost of a spray machine at a price of \$2500. Dickens noted during the

unofficial session that it was true his firm's prices were higher than others and said this was due to "the inert ingredients" in the solution and because his company had furnished service of fogging machines without charge.

In response, Whitsell produced a bill showing payment for use of the fogger last year, while Tector produced a dictionary to show the board that an "inert ingredient" is the inactive part of a chemical. Whitsell asked Dickens if the company would come down in its price by eliminating the so-called inert ingredients, but Dickens replied that he would have to check the formula with company chemists. He said he would attend Monday night's regular town board session to discuss the matter further.

Spray Specially Made
Dickens also presented a letter from Wood Treating Chemical Co. stating that the four-pound chlordane solution was made specially for the Bonnie Chem firm to be used in Nameoki township and that the solution was safe for use as mosquito spray.

Dickens also informed the board during the unofficial meeting that his product carries liability insurance and that the company would stand good for any lawsuits that might arise from use of the chlordane. Board members asked Dickens to sign a statement, and Dickens said he would do so at the regular meeting Monday night.

Doesn't Mention Mosquitoes
Whitsell pointed out that the label says: "Not to be used as a space sprayer. For ants, roaches, water bugs, silver fish, carpet beetles, brown dog ticks and subterranean termites." Whitsell noted that the label does not mention mosquitoes.

Dickens did not appear at the Monday night meeting, but sent a letter in which he said a family illness necessitated his being out of the area. He said he would meet with the board at any time in the future that it wished.

Virtually no discussion of the issue was held by board members in Monday's session. Beedle remarked, "We've already gone over this matter and I see no reason for dragging it out any longer." He then presented the motion to return the unused supplies of spray chemical.

Former 'Lost' Brother Visits Liddell Family

Mr. and Mrs. Fay Liddell, 4205 Kirkpatrick Homes, have been entertaining as guests, the latter's brother and sister-in-law, Mr. and Mrs. Charles Creager of Sarasota, Fla. Mrs. Liddell and her brother were reunited two years ago after not knowing the other's whereabouts for nearly 30 years. The visitors departed this week to visit Mrs. Creager's relatives in Ohio.

Picnic 'Clearing House' Schedules Summer Events

A "picnic date" clearing house through which sponsors of picnics and homecoming programs may avoid conflicting weekend schedules has been initiated by Peter J. Planitz, operator of the Green Hall tavern, 301 Washington avenue. Planitz said that he and a group of friends devised the plan to prevent duplication of picnic picnics on the same weekend.

The present schedule of summer picnic programs thus far includes:
Saturday, May 31, St. Mary's Catholic Church barbecue, 10th street and Alton avenue, one day only.
Saturday, June 7, Eastern Orthodox Catholic Church, 416 Ewing street, one day.
One Day Program Sunday, June 8, Sacred Heart

Stubblefield, 1624 Delmar avenue, outstanding and sustained superior performance award; and Major Brian C. Ireland, director for maintenance, who presented the awards.

Granite Cityans Can Have More Trash Hauled

Garbage and trash collections this summer will continue once a week, but Granite City householders will be permitted to exceed the two 30-gallon container limit.

The changeover to twice-a-week collections was to have started next week, but the city will be able to save \$12,000 during the three-month period—June, July and August—through the amended contract with Milam Corp. East.

Under the new arrangement, the collector will pick up all trash of a household variety, regardless of quantity, provided it can be lifted onto the trucks. Several aldermen opposed the change, primarily because the decision with the award of the three-year contract last year for twice-a-week collections in the summer, boosted the contract price considerably. They pointed out the current savings were not as great as those offered last year.

Milam Corp. East has stated the cost of dumping has increased, since the city no longer provides the dumping grounds, and the costs also are up because of the use of the present dump at the Chain of Rocks bridge by Granite Cityans who do their own hauling. Opposing the summer collection reduction were Aldermen Robertson, Green, Jarrett and Boker.

Flag Symbolizes Respect for Those Who Have Defended Freedom

(The following article, "Do You Remember," relating to the American flag, was provided by America Post 51, 5100 Lakeview drive. It is published in connection with observance of Memorial Day tomorrow.)

Remember me? Some people call me Old Glory; others call me the Stars and Stripes. Also, I have been referred to as the Star Spangled Banner.

But whatever they call me, I am your flag, or as I proudly state, the flag of the United States of America.

There is something that has been bothering me, so I thought that I might talk it over with you—because it is about you and me.

I remember some time ago, I think it was Memorial Day, people were lined up on both sides of the street to watch the parade.

The town's high school band was in back of me and, naturally, I was leading the parade.

When your daddy saw me coming along waving in the breeze, he immediately moved his hat and placed it against his left shoulder so that his hand was directly over his heart. Remember?

And you, I remember you. Standing there as straight as a soldier. You didn't have any hat, but you were giving the right salute. They taught you, didn't they, to place your hand over your heart.

Remember little sister. Not to be outdone, she was saluting the same as you.

I was very proud as I came down your street. There were some soldiers home on leave and they were standing at attention giving the military salute. Ladies as well as men were all paying me the reverence that I deserve.

Now, I may sound as if I am a little conceited. Well, I am. I have the right to be. Because I represent the finest country in the world, the United States of America.

More than one aggressive

nation has tried to haul me down, but they all failed in this freedom loving country. You know, you had to go and defend me. And a mighty fine job you did too.

What happened? I'm still the same old flag.

Oh, I have a couple more things to tell you. You are a boy. The old home town has a new look.

The last time I came down your street, I saw some of the stars and stripes were gone. In their place, shining majestically in the sun, were a number of new buildings and new homes.

Yes sir, the old town sure has changed.

But now I don't feel as proud as I used to. When I come down your street, you just stand there with your hands in your pockets and give me a small glance and then look away.

When I think of all the places I have been—Anzio, Guadalcanal, Korea, Vietnam. Who knows where you'll be next?

Then I see the children running around and shouting. They don't seem to know who I am. I saw one man take his hat off and then look away. He didn't see anybody else with theirs off, so he quickly put his back on.

Is it a sin to be patriotic any more? Have you forgotten what I stand for?

Have you forgotten all the battles fought when we fought and died to keep this nation free? When you salute me, you are actually saluting them.

Take a look at the memorial honor rolls sometime. Look at the names of those who never came back. Some of them were your fathers or relatives or you probably went to the same school with some of them. That's what you are saluting, not me.

Well, it won't be long until I'll be coming down your street again. So when you see me, stand straight and place your hand over your heart, and you'll see me waving back—my salute to you. And I'll know that you remember.

Gangs Found Key to Interstate Cooperation

At a time when cooperation between states still has not been fully solved in this metropolitan area and others, it is interesting that the recollections of a retired Treasury Department enforcement officer show relatively effective relations between the late Frank "Buster" Wortman, southern Illinois gang boss, and the syndicate leaders based in St. Louis.

They were friends, exchanged gunfire, attended each other's funerals—which were somewhat numerous due to the hazards of their occupation—and respected the separate nature of the two organizations and territories.

Of course, the fact that crossing each other could prove mutually fatal may have had something to do with the ability of such groups, which live by a code of violence and murder, to maintain a peaceful co-existence.

Despite the national and worldwide nature of criminal alliance, it is interesting to note that Frank Hudak rates the Collinsville area resident as having had stature within the organization comparable to that of the most well-known Chicago hoodlums. Over the years, Chicago and New York have been thought of as having more clout than other areas in terms of overall gang leadership and authority.

The former "T-man" notes that leading Chicago figures each concentrated on a single special interest, while in the southern Illinois dominion there was single coordination of gambling halls, bookshops, numbers tickets, taverns, night clubs, pinball machines, slot machines, vice, labor racketeering and real estate developments.

His evaluation of the organized underworld is fascinating, disturbing and, in a way, encouraging: federal investigations and arrests can seriously hamper hoodlum operations, the experience of recent years has shown. But statistical gains are not enough, and he believes the federal government still has not fully come to grips with the major sources of criminal power and wealth.

Perhaps the increased national emphasis on the problem this year will lead to solution.

Shark a Belligerent Benefactor

(American Institute of Biological Sciences)

"Viewed dispassionately, the shark is both a hazard and a benefactor to man, just as is the automobile and the airplane," Perry W. Gilbert has written.

Gilbert, chairman of the Shark Research Panel of the American Institute of Biological Sciences, does not underestimate the shark, but says that by exploiting the shark's useful features it may become more asset than liability within the next few decades.

Of the 250 species of living sharks, about 35 are potentially dangerous?

In any given year, there are more fatalities in the United States from bee stings and lightning than there are from shark attacks throughout the world.

Why then is there such concern about a shark attack? Because, says Gilbert, the shark transcends the harm inflicted on one victim.

One incident at a popular bathing beach will cause losses to the tourist industry that can be counted in the millions of dollars.

When a shark attack involves military personnel, serious morale problems ensue.

Naval operations have been curtailed or even abandoned, costly oceanographic equipment has been lost, and the fishing industry has been jeopardized, all because of the aggressive activities of sharks.

Over the past decade, Research Panel members and consultants have tested a variety

of shark repellents including chemicals (over 200 compounds) and drugs, electric shock, and a screen of bubbles generated by an air compressor (the so-called bubble curtain).

None has proved totally effective against all species of sharks. Navy Captain H. David Baldrige has proved conclusively that no drug, not even the most toxic, can effectively control shark behavior in the open sea simply because of the vast quantities required to combat them.

Meshing, which consists of using gill nets for the capture of sharks, has been used with considerable success in Australia and South Africa. But it is a costly operation and the beaches must have a special configuration for meshing to be effective.

In several parts of the world, most notably Japan, Australia, and Mexico, shark meshing was used as a food. Gilbert attributes its lack of acceptance in the United States to a combination of reluctance of a part of Americans to be adventurous in their eating habits and insufficient information on imaginative recipes for its preparation.

Perhaps the shark's greatest contribution to man is through its increasing use as a research tool. This group, which first appeared 300 million years ago, is now aiding scientists in a variety of studies involving cerebrospinal fluid, cell metabolism and cancer.

New Industries and a Key Merger

(Granite City Long-Range Plan)

The 1950-60 period was one of vigorous industrial growth and community achievement.

A. O. Smith, Dow Chemical, Johns-Manville, Lipsett Steel and Nesco Steel Barrel were established in the local area during this period.

These industries have grown and become an integral part of the economy of the area.

The Tri-City Regional Port District was created in 1959 by the Illinois state legislature. It and the Bi-State Development Agency serve the function of providing industries with wharf and docking facilities for the shipping and receiving of bulky and liquid materials via the Mississippi River inland waterway system.

The 1950s were significant to Granite City in terms of community growth and development.

In 1950, the municipalities of Granite City and Name-

ok voted to merge into one community and the Granite City community unit school district was formed by the consolidation of ten separate school districts.

In 1952, the Granite City Housing Authority finished construction of 300 units of Kirkpatrick Homes, which brought the total to 451 apartments.

During that year, the University of Illinois submitted a report, "A People Look at Their Schools," to the school district. The report had a great impact on the district and resulted in a vigorous building program.

The comprehensive plan done for the city by Harland Barlow & Associates was completed in 1956.

It made several recommendations concerning community growth and development, and resulted in expansion of the city by the purchase of school districts and the city.

Next: The 1960s decade.

Communities Like This Will Be The 1970 Election Battleground

In 1964, the 43 million-27 million LBJ landslide helped Democrats win 25 of the 33 U. S. Senate seats decided that year.

With the absence of national election contests next year, Democrats are not sure they can retain their Senate edge, much less their 58-42 margin. The GOP would need to win only 16 of the 33 six-year posts to create a tie, with Vice-President Agnew then able to vote and give control to his party.

It is true that, once in office, a legislator becomes harder to beat. He is better known than any rival, and has had an opportunity to perform services for many of the voters. However, Senate seats from Nevada, New Mexico, Wisconsin and Ohio seem particularly vulnerable, and others also are being eyed.

There will be less interest than usual in Illinois, where Senator Percy will still have a third of his six-year term and Senator Dirksen two-thirds of his term to serve. But it will be an election worth watching, due to its impact on national policy and due to the plans by both parties to concentrate much of their effort in suburban communities similar to the Quad-Cities.

Memorial Day 1969—A Time to Honor Fallen Heroes, Rededicate the Living

On May 30, 1868, by order of Gen. John A. Logan, commander-in-chief of the Grand Army of the Republic, the day was devoted to decorating the graves of fallen comrades. He voiced the hope that it would be observed "from year to year until a survivor of the war remains to honor the memory of the departed."

Tomorrow, 101 years later, Memorial Day will have just as much meaning. Every participant in the War Between the States is gone, but the occasion now honors the dead of all American wars.

Because of the passage of time, Quad-Cityans' thoughts will focus mainly on those who took part in world war I, world war II, the Korean war and the war still in progress, Vietnam. To date, 28 local men have died as a result of service in this war, including 25 killed in action within Vietnam.

It will be a sad day and yet a proud one. The honored group has paid the last full measure of devotion to the cause of justice, truly heroic sacrifice which has enabled freedom to live and grow in a world still troubled by those who would replace freedom with tyranny.

On Memorial Day 1969, Quad-Cityans respectfully salute their war dead, pray that these gallant ranks will not have to be increased in number in the coming months and years, and rededicate themselves to the ideal of a nation which make this nation and democracy worth fighting for.

And if it ever happens that some people should be too tired to give you a smile, you will leave one of yours?

Divorced Father May get to Stop Child Support Payments Early

(Tri-City and Illinois State Bar Associations)

Divorced fathers who feel a financial pinch from paying child support may find comfort in the knowledge that sometimes, if not often, payments may be stopped before their children reach adulthood (18 for girls and 21 for boys).

According to the Tri-City and Illinois State Bar Associations, support payments may be stopped under the following circumstances:

(A) Marriage of a child; if used as a food, Gilbert attributes its lack of acceptance in the United States to a combination of reluctance of a part of Americans to be adventurous in their eating habits and insufficient information on imaginative recipes for its preparation.

(B) Full-time employment of child.

(C) Induction of a child into the Armed Forces.

URGES SUPPORT FOR CC TEACHERS

To the Editor:

It is that time again when Granite City Teachers and the Granite City Board of Education must come to an agreement on a new contract.

There are several factors which must be considered.

Teachers need a wage to commensurate with their training, ability and responsibility.

The cost of living has increased. Teachers like other workers have been affected by inflation.

The Johnny Appleseed Day is long past. Teachers have bills and obligations that they have to meet.

The people of Granite City are all interdependent on one another. Teachers are unable to pay for the services or buy the products of other union people unless they too have adequate salaries to do so.

Teachers will not work unless they have an acceptable contract.

The whole community will be affected if the teachers don't teach.

We are all interdependent on each other.

Let's give the teachers our

Social Security Overhaul Proposed

Senator Charles H. Percy

When Social Security was enacted more than 30 years ago, it was a highly controversial program. Today it is regarded as a great milestone in social legislation. Yet its history shows that Social Security has failed to keep pace with the rapid changes in our society.

Recently I introduced legislation to review and overhaul our Social Security program. The time has come when Social Security checks are no longer paid and increased and earning limitations for the elderly should be lifted.

I have also recommended that payroll taxes paid by the poor be partially refunded and a provision be made for income tax benefits whenever the cost of living goes up.

My proposals would remove some of the inequities which exist and make Social Security more responsive to the needs of our citizens.

We know that elderly people who live on the fixed incomes of the Social Security checks are in a bind. They are forced to live on less than \$300 a month. They are forced to live on less than \$300 a month. They are forced to live on less than \$300 a month.

At the present time, the earnings of persons over 65 receiving full Social Security benefits can not exceed \$1680 a year. I think this should be increased to \$2400 until our adoption of a program geared to present-day needs.

UFO's Hard to Prove, Disprove

(American Association for the Advancement of Science)

The basic difficulty inherent in any investigation of phenomena, such as those of psychic research or of UFO's, says distinguished scientist Hudson Hoagland of the Worcester Foundation for Experimental Medicine, is that it is impossible for science ever to prove a universal negative.

In an editorial in "Science," Dr. Hoagland points out that there will always be cases which remain unexplained because of lack of data, lack of repeatability, false reporting, wishful thinking—not to mention rumors, and even lies and frauds. Unexplained cases are simply the result of our inability to explain, and can never constitute evidence for any hypothesis.

Commenting on the recently published "Scientific Study of Unidentified Flying Objects," a study commissioned by the U. S. Air Force and directed by Dr. U. Condon, Hoagland concludes in an agreement with the study, that further investigations of UFO's will be wasteful.

Science deals with probabilities, and the Condon investigation adds massive additional weight to the already overwhelming probability of visits by UFO's guided by intelligent beings.

Despite all this, says Dr. Hoagland, who was instrumental in exposing the fraudulent claims of a Boston medium in the 1920s, it is likely that many believers in UFO's will continue to believe for their own psychological reasons which have nothing to do with science and the rules of evidence.

Helping Crops Fight Disease

(American Institute of Biological Sciences)

A team of researchers at New York State College of Agriculture, Cornell University, has made important discoveries on how certain destructive fungi attack plants, and how the plants in turn protect themselves.

Professor D. F. Bateman, who heads the team, reports that the work may eventually lead to better control of certain fungal diseases which now damage a variety of economically important agricultural crops.

In addition to discovering a series of other intricate chemical changes that take place in plants after infection, the Bateman team uncovered a new antibiotic substance produced by the infected plant after it comes under attack.

In cooperation with researchers at the University of California, work is now under way to find the chemical structure of this antibiotic substance.

The new discovery is a practical application of this breakthrough. Professor Bateman says, is to develop methods of altering the plant cell wall so that it becomes resistant to fungal attack, or to use chemical substances to kill the fungi similar to those produced by infected plants.

They have also discovered a

Putting Up Vs. Putting Down

(Staying Young Research Corporation)

John J. Schwab, M.D., recently pointed out that the habit of "putting down" others as a method of business or social advancement is extremely dangerous.

"Putting up" with the actions of others is much healthier; it reduces the personality damage and the stresses of life.

Dr. A. Tappel thinks there may be chemical ways to slow down, or even stop, aging.

Parts of our body cells are damaged because of the oxidation of fats, and this causes an

accumulation of age pigments in the cells. Research shows that antioxidants, Vitamin E in particular, slow down the process. Fat is stored in the cells. Studies in Australia have shown that an increased formation of fat occurs in the obese.

Checking the free fatty acids in the blood, Dr. Tappel says, incorporated into the body more swiftly as weight increased. This shows us that the fat gets fatter even easier than the rich get richer, and this causes an

County's Public Aid Cost Up \$90,333 During March

Although public aid rolls in Madison county dropped by 100 recipients during March, the amount of aid payments totaled \$852,190, up \$90,333 over February aid costs of \$761,857, according to a report by Public Aid Director Harold O. Swank at Springfield.

The \$852,190 in Madison county aid payments distributed in March went to 10,469 recipients, compared to 10,569 recipients who received aid in February, the report showed.

All of the March increase in aid payments occurred in payments for old age assistance. March old age assistance of \$295,487 was paid to 1308 recipients, compared to February payments of \$202,306 to 1259 recipients in February.

Largest payments in any one of the five categories of public aid were made to Aid to Dependent Children recipients who received \$381,719 in March, for 6238 clients, compared to \$381,707 paid in February to 6109 recipients.

Decreases in payments to general assistance and disability pension recipients only, noted in March when payments

for general assistance totaled \$39,909 for 1871 clients, compared to \$41,403 paid to 2140 clients in February. March payments to disability pensioners were \$131,979 for 896 recipients, compared to \$153,360 paid 985 pensioners in February.

Blind assistance payments in March were only slightly changed from those of the previous month, amounting to \$2096 for 36 recipients. In February, blind pension payments totaled \$3079 for 36 recipients.

Swank said Illinois public aid rolls reached \$338,850 in March, an increase of 3864 over the previous month and 49,249 higher than a year ago. Total March expenditures at the state level were \$40,364,853, an increase of \$3,091,675 over February and \$11,206,045 higher than in March 1967.

The state's March caseload added 405,183 persons on assistance to the aged, blind or disabled and aid dependent children receiving money grants and eligible for medical care; 60,054 for medical assistance only, and 71,613 on general assistance.

Illinois Payroll in February Down 3.83%

The Illinois state payroll for the month of February amounted to \$26,286,438, a decrease of \$2,245,876, or 3.83% from January, Michael J. Howlett, state auditor of public accounts, announced today at Springfield.

There were 102,821 employees of all state agencies during February, a decrease of 176, or 0.17% from January, Howlett said.

A major factor in the decrease of payrolls was the lump payment of compensation to legislators of the 76th General Assembly in January. As a result, the state officer's payroll dropped from \$2,914,619 to \$154,054 in the two-month period.

The number of employees during February this year was 4333 more than in February 1968. Of the increase, 1641 were in the educational institutions, 1487 in the Department of Mental Health and 1207 in all the rest of government.

The payroll cost in February this year was an increase of \$5,303,636 over the payroll of February 1968, Howlett said.

County's Overall Tax Extension Up \$4 Millions

A total tax bill of \$4,645,382 has been extended for collection in Madison county this year, an increase of \$4,095,528 over last year's tax billing, the office of County Clerk Eulalia Hotz reported today.

Of the amount, \$27,211,166, or 63% of the total, will go to Madison county's 15 school districts, the report said. The 1967 tax extension for collection last summer was \$25,022,065.

Total taxes due cities and villages amount to \$6,001,567, up \$910,807 over last year's bill of \$5,090,760, while the billing for township purposes, including road and bridge costs, amounts to \$2,252,678, or \$186,629 more than last year's \$2,066,049.

County tax costs this year are up \$496,251 for a new tax bill of \$3,520,125 compared to \$3,023,874 extended for collection last year.

Park Costs Up
Tax extensions for all park districts in the county total \$550,105 compared to \$456,922 last year, while a slight decrease is shown in tax requirements for sanitary districts, totaling \$1,045,310, down from last year's \$1,080,078.

Drainage district tax costs this year amount to \$35,567 compared to \$90,747 billed for collection in 1968. Extensions for fire protection districts total \$284,633 this year, an increase of \$11,741.

Other tax billings include: street lighting districts, \$3991, up from \$3982; Civic Memorial Hospital at Alton, \$173,900 down from \$175,066; Wood River Township Hospital, \$440,330, up from \$330,919; dog tax, \$7833, down from \$4665.

The amount of delinquent tax on the new books increased to \$749,053 from last year's \$632,130.

Meter Income Up in April. But 4-Month Total Drops

Granite City parking meter revenue during April totaled \$4718, the largest single month by income from parking meter operation since April 1968, when total income was \$5053, according to a report by Comptroller Robert Stevens.

April receipts included \$3650 in meter fees and \$1063 in fines assessed for meter violations, the report showed. The April fees were an increase of \$930 above March fee income of \$2720, but April fines were \$276 less than March fines of \$1339.

Thus, total April meter receipts of \$4718 were an increase of \$854 over the March total of \$4069.

Meters operated 26 days during April, giving the city an average daily income of \$181 during the month, compared to \$174.37 income during the first average daily income of \$156 in

March, when meters also operated 26 days of the month.

The April receipts also were well in excess of January and February collections which were less than income during the same months in 1968. This year's January collections included \$2550 in fees and \$518 in fines for a total of \$3068, while February receipts included \$2850 in fees and \$542 in fines for a total of \$3392.

A year ago, January revenue included \$3400 in fees and \$806 in fines for a total of \$4206, and February revenue was made up of \$3000 in fees and \$1043 in fines for a \$4043 total.

April's meter receipts brought to \$15,232 the total parking meter revenue for the first four months of this year, a decrease of \$2205 below the \$17,437 income during the first four months of 1968.

Andria's, Friedrich's, Pieper's Victors in Softball Games

Andria's vanquished the Cardinals 18-3, Friedrich's Heat & Air turned over the Left Overs 13-9 and Pieper's knocked down Inn Between 8-5 in Western division softball contests Wednesday at Worthen Park.

The Cardinals played under protest after they charged that Andria's was using an ineligible player, Doug Winfield, who was competing under a false name. Andria's sluggers were Rick Reutebehn with a 3-for-5 night, including a triple; Randy Siglie, 3-5, home run; Dick Hoff, 4-5, double; Ron Burton, 4-5, double; and Winfield 2-4.

Friedrich's won with a five-run inning rally. Top hitters for the winners were Tim Thompson, 4-4; Bob Cawley, 3-4; Mark Friedrich, 3-5; and Mike Thompson, Larry Shipley and Mike Burris, 2-4.

Better power hitting earned Pieper's the win. Larry Branding came up with two hits, including a double; Walt Bernaix was 2-3; and Russ Borth, John Allen, Dave Seelson all whiffed triples. Tops for Inn Between were Dan Towery, 2-3; Orla Stephens, 2-3 and Charles Moore with a triple.

High Scoring, Hot Hitting Highlight Girls Softball Tilt

The Girls High School League softball games were filled with high scoring and hot hitting Wednesday evening at Wilson Park.

Schrieber's Wildcats outscored Ed Moore Construction 34-19, Shady Lake exploded over Paul Schrieber 21-10, Clean Craft whipped Ravanelli's Niteriders 18-14 and Jacobsmeyers defeated Rozycki Realty 13-7.

The Wildcats scored nine runs in the third inning, 13 in the fifth and, with a grand-slam home by Elaine Willaredi, scored seven in the sixth.

Other girls swinging well for Schrieber's were: Cavo Schmidt, Marsha Van Deusen, Lois McQuinn, Lois Reidnaus and Linda Moore. Ed Moore Construction's best batters were Deb Drennan, Rose Alvarado, Pat Kalips and Mary Dombroski.

Lana Earnhardt's grand-slam aided Shady Lake's 16-run second inning. Other Shady Lake successes came from Deb Scaturro and Alice Carbone.

Clean Craft's late inning scoring was too much for Ravanelli's Niteriders. Clean Craft collected five runs on five errors during the sixth frame.

Jacobsmeyers, though not hitting as well as Rozycki Realty, scored in every inning. Diane Schultz and Candy Fuller were the outstanding hitters of the game.

Areas Seek to Join Long Lake Fire District

Petition for a special election on a proposal to annex seven subdivision areas of Nameoki township to the Long Lake Fire Protection district was filed in circuit court at Edwardsville Tuesday by a citizens group seeking to solve the area's lack of fire protection.

The petition was filed by Nameoki Township Atty. William Schooley for the citizens committee, although the proposed annexation is being handled as a citizen project and not as a township undertaking.

Schooley said that the court, within the next 20 days, will set a date for a public hearing. If the proposal is approved at the hearing, the court then has from 20 to 40 days to set the date of the special election.

Edgar Patrick, Nameoki

township tax collector and a spokesman for the citizens group, told the town board Monday night that there appears no doubt of approval of the proposition because of the widespread desire for fire protection.

800 Homes in Area

The area proposing annexation to the Long Lake fire district includes Miracle Manor, Wellington Heights, Maryville Heights, Dawn Place, Nameoki Acres, Bellemore Place and Northland subdivision, Patrick said. About 800 homes are included in the areas.

These subdivisions make up the same area that formerly was given fire protection by Granite City. They have been without fire protection since Nov. 20, 1967, when Granite City adopted a policy of making no

fire calls outside the Granite City limits.

Patrick said the citizen group has met with officials of the Long Lake Fire Protection district and have been assured the area will be welcomed as part of the district if the proposal is approved by referendum.

If the annexation is completed, residents of the Nameoki area would be subject to payment of the fire protection tax in the Long Lake district. The rate currently is 10 cents per \$100 assessed valuation.

SOCIETY

MISS CAROLYN ELLIS. Her engagement to Rev. William E. Simmons is announced.

SHOWER GIVEN FOR MR. AND MRS. SPEARS

A bridal shower was given this week in the home of Mrs. Fred Tritschuh, 2501 Sheridan avenue, honoring Mr. and Mrs. Michael Spears who were married recently in Biloxi, Miss. The newlyweds, both of whom are in service, were unable to attend the shower but phoned during the afternoon. Mrs. Spears is the former Mary Lou Carlin.

The gifts were wrapped by the guests and forwarded to the bride and groom.

Those attending were: Mesdames Edna Green, Ann Ruder, Ernest Konkell, Mamie Gipson, Jo Sator, Irma Green, Lucille Tritschuh, Mary Ann Tritschuh, Irene Withrow, Carol Tritschuh, Rose Segedy and Mary Rita Tritschuh. Miss Dolores Ruser, Edna Isham and Stephanie Segedy.

JUNE BRIDE-TO-BE HONORED AT SHOWER

Miss Susan Trogovich, a June bride-to-be, was honored this week at a shower given at the American Legion Hall by her sisters, Mrs. Kathleen Bledsoe and Mrs. Donna Jenkins, and a sister-in-law, Mrs. Judy Trogovich.

Miss Trogovich will be married to Steven Willard at St. John United Church of Christ. About 80 guests attended the shower, decorations for which were carried out in pink and white. A large pink umbrella and peonies centered the table and favors were small pink and white umbrellas.

Mrs. Barbara Sedabres, who is a matron of honor at the wedding, assisted Miss Trogovich in opening her gifts.

Miss Ellis Is Engaged

Rev. and Mrs. Albert W. Ellis, 2860 Highway 3, are announcing the betrothal and coming wedding of their daughter, Miss Carolyn Ellis to Rev. William E. Simmons, 437 Spruce street, East Alton.

Both the bride-and-groom-to-be are 1968 high school graduates. Miss Ellis, who attended the local schools, is employed in the offices of the Granite City Steel Co. Rev. Simmons was graduated from the Roxana high school. He is presently traveling as an evangelist.

The couple is planning a September wedding.

Hospital Group Adds Member

The May meeting of St. Elizabeth Hospital Auxiliary was held Monday evening in the Wiesman Room at the hospital.

Mrs. Marjorie Norwood presided, and Mrs. Bea Onk, a new member, was introduced. Mrs. Onk has been a member for some time but this is the first meeting she has attended.

Plans were discussed for the annual chicken and dumpling dinner to be held June 22 in the hospital coffee shop, help for which is needed to prepare and serve the meal. Tickets will be distributed within the coming week.

Refreshments were served to 20 members by Mrs. Armella Seiter, Mrs. Edna Bickel, Mrs. Onk and Mrs. Dolly Gonzales.

Eagles Auxiliary Honors Officers

The semi-monthly meeting of the Eagles Auxiliary of Aerle 1126 was held Tuesday evening at the hall and retiring president, Mrs. Helen Lipchik, gave special recognition to her chairman and officers. About 40 members were present.

Mrs. Lipchik called the meeting to order and reports were given by the secretary, Mrs. Eleanor Hadley, and treasurer, Mrs. Leona Delatoye. The president announced that a joint installation of the men's aerle and the auxiliary officers will be held June 6 at 8 p.m., followed by a luncheon and a dance. The usual fish fry held at this time has been cancelled but the drawing will be held.

Mrs. Lipchik presented floral pins and matching earrings to the chairman and officers. A social hour was held and prizes were won by Mrs. Angie Buehler, white elephant, and the special prize went to Mrs. Opal Cain.

Sisters Reunited After 48 Years

Mrs. Maria Karandjef (Karantzias) of Athens, Greece, has arrived here for a visit of three months with her sister, Mrs. Catherine Dimitroff, 2641 State street, and other relatives in this area, among them the Gitchell, Tarpoff and Karandjef families.

This is the first reunion of the sisters in 48 years. The visitor left Tuesday for several days in Chicago, but plans to return at the end of the week to spend the remainder of the time here.

FLY-UP, HONORS COURT FOR SCOUT TROOPS

A joint "fly-up" for Brownie Troop 289, led by Mrs. Loretta Conley, and a court of awards ceremony for Junior Girl Scout Troop 734, under the leadership of Mrs. Margaret Barton and Mrs. Venka Ambuehl, were held Monday afternoon at Washington school. Both troops are sponsored by the PTA unit.

Junior scouts, Bonita Davis, Kimberly Gayle and Sherrel Barton, opened the program.

Mrs. Conley presented Brownie winners to Tammy Kooten, Debbie Elkins, Karen Gayle, Carol Gaffers and Vickie Clark as they "flew" into the junior level and were welcomed by Mrs. Barton and Mrs. Ambuehl. On behalf of the new members, several of the older unit members explained the requirements of badge work and Bonita Davis, Sherrel Barton, Kathy Ambuehl, Kimberly Gayle, and Janet Gaffard displayed needle work and other craft articles which they had made in keeping with the badge requirements.

During the court of awards ceremony, scouts Kathy Ambuehl, Sherrel Barton, Pamela Collins, Venus Derr, Bonita Davis, Sheila Diel, Janet Gaffard, Kimberly Gayle, Rhonda Meyers, Barbara and Diane Pickett, Vikki Sexton, Mary Townsend, Christine Webb, Laura Wilson and Carol Whitford received the sign of the arrow, star and health aid badges, and Mary Casey, Darlene Connor, Paula Elmore, Sonia McIntyre and Karen and Sharon Cantlon received the health aid badge.

Refreshments were served to those mentioned and Mrs. Doris Wood, chairman for Neighborhood 2 Girl Scout Leaders, Mrs. Eleanor Gaffard and Mrs. Dolores Keeton. Several of the older members taught songs to the new "fly-ups" and the program closed with the friendship circle.

SHOWER HONORS MISS HUSKAMP

Miss Diana Ann Huskamp was guest of honor this week at a bridal shower given at the Officers' Club of the Granite City Army Depot. Hostesses were Mesdames Oscar F. Bergmann, Joseph Galeaz, I. J. Pitman, A. W. Sheppard, Harold T. Schneider Jr., and Miss Ruth Stoyanoff, five of whom are present Depot Associates of Miss Huskamp, and the sixth a former fellow employee.

The shower was held in the ballroom of the club which was decorated with bouquets of spring flowers. Each guest received a memento.

The hostesses, in costumes and with appropriate background music, participated in a satirical skit entitled "The Travels of Diana." A number of prizes were awarded and an early buffet supper was served.

Those attending were Mesdames Paul Ashford, Loveta Butler, Ellen Butler, Robert D. Butler, Robert O. Butler, Martin Choat, Harvey Ebling, Marge Eck, William Herbst, Larry King, Eldon Meikamp, Albert Olson, Robert Peterson, Betty Sneed, Terry Titworth, Anton G. Todoroff, Brooks Weir, William Weller, and Miss Clara Fravala, all of the Quad-Cities.

Mrs. Otto Buer, Mrs. Francis J. Josse and Mrs. A. Charles Ridout of St. Louis; Mrs. R. Marvin Eddington of Collinsville; Mrs. Ernest McShane, Robert O. Butler, Mrs. Robert Johnson, Mrs. Evelyn Ketchie, Mrs. David Lilley, Mrs. Albert Moody, Mrs. Earl Mueller, Mrs. Virgil Prickett and Mrs. Robert Tarrant of the Alton-Wood River area; and Mrs. Denny K. Long of Godfrey, a sister of the bride.

Miss Huskamp, who helped organize the Army Community Service office in this metropolitan area and is well known in the Quad-Cities, will be married to Robert L. Hedworth July 3 in the Old. The bride will be married to Robert L. Hedworth in Paducah, Ky., where Mr. Hedworth is employed.

FORMER RESIDENT WED IN MISSOURI

Miss Carolyn DuNard, only daughter of Mr. and Mrs. Luther DuNard, former Granite Cityans now living in Detroit, Mich., and J. Randy Phillips, whose parents are Mr. and Mrs. J. H. Phillips of Kirksville, Mo., were married this week at the Lutheran Church in Columbia, Mo.

The double-ring ceremony took place at 3 o'clock in the afternoon, and a reception was held afterward in the church basement with the Ladies Versper Guild in charge.

The bride, who has finished her junior year at William Wood College, is a granddaughter of Mr. and Mrs. George Stearns, 2115 Ames avenue. Mr. Phillips has a degree from the University of Missouri and has been accepted as a student in the School of Veterinary Medicine.

VISITOR FROM CALIFORNIA

Mrs. Vernon Burgess of Bloomington, Calif., a former Granite City resident, is visiting friends and relatives in the Quad-City area and St. Louis, until she leaves on June 10. She moved west to make her home 21 years ago. While here, she is staying in the home of Mr. and Mrs. Cecil Burgess, 2121 Woodlawn avenue.

The members discussed the installation of officers to be held June 14 at the Rose Bowl.

Work Begins on Warehouse at Bi-State Dock

Construction has begun on a new \$90,000 warehouse at the Bi-State Development Agency's Granite City Wharf and Dock along the Chain of Rocks Canal.

The new bulk storage facility, which is expected to be completed in July, will provide 16,800 square feet of warehouse space. The dock and wharf facilities are operated under lease from Bi-State by St. Louis Terminals Corp.

Herrling Construction Co. of Chicago is the contractor for the project which is expected to be completed in July.

Bi-State commissioners also were informed that \$331,000 in federal funds have been made available by the FAA for construction of a new northeast-northwest runway at Bi-State Parks Airport which will permit the airport to handle virtually all types of aircraft except the large commercial airliners.

Cost Exceeds \$700,000. The new runway, estimated to cost in excess of \$700,000, including matching funds provided by the airport, will be 5500 feet long. Another \$188,000 has been awarded by FAA, the board was told, to build new taxiways at the airport. This money will be matched by a like amount from the Illinois Department of Aeronautics and the Bi-State Airport.

Canal Locks Freight Down Million Tons in 4 Months

Commercial freight shipments passing through the Chain of Rock Locks and canal during April totaled 3,440,183 tons, a drop of 8499 tons below total March shipments and a decrease of 310,317 tons below freight movements of 3,750,500 tons in April 1968, according to a report by the U. S. Army Corps of Engineers which administers the canal locks operation.

The report showed that up-river freight movements decreased in April to 1,780,945 tons from 1,931,890 tons passing through the locks in March. Downriver shipments, however, increased during April to a total of 1,703,238 tons from March shipments of 1,516,982.

Although total tonnage declined during April, a total of 4914 vessels moved through the locks during the month, com-

For peace of mind, convert to natural gas heat

Are you still heating with a fuel that needs shaking and stoking at inconvenient hours? Or with a fuel that can freeze-up in a pipe-line just when you need it most? Could an ice or snow storm stop your fuel deliveries cold?

Then convert to natural gas heat right now. Gas is as problem-free as a fuel can be. Makes you independent of weather, delivery trucks, storage tanks or bins. Gives you clean, uniform, fully automatic comfort.

The time to convert to natural gas heat is right now—not next winter when your heating contractor will be at his busiest. So call your heating contractor today.
